

Bolinas and Stinson Beach Community Wildfire Protection Workshop

Date: Tuesday, May 9th, 2006

Location: Bolinas Community Center

Time: 7:00pm - 8:30pm

Learn how to protect your home, and about work being done to improve fire safety for Bolinas and Stinson Beach. Includes important information on fire resistant roofing and decking.

Agenda

- Wildfire Potential in Bolinas and Stinson Beach
- Vegetation Guidelines for Home Fire Safety
- Fire Resistant Building Materials
- Marin County's Community Wildfire Protection Plan
- Bolinas Fire Hazard Assessment by Moritz Consulting
- Fire Safe Councils and the Fire Safe California Grants Clearinghouse
- Fuel Reduction Projects in and Around Bolinas and Stinson Beach

SPEAKERS:

Anita Brown, Bolinas Fire Protection District; Kenny Stevens, Stinson Beach Fire Protection District; Tim Thompson, Marin County Fire Department; Steve Quarles, UC Cooperative Extension; Jennifer Chapman, National Park Service; Ray Moritz, Moritz Arboricultural Consulting; Amber Gardner, California Fire Safe Council

EXPERIENCE YOUR AMERICA

Weather, topography, and fuel determine how difficult a fire is to control. Reducing fuel minimizes the threat of wildfire.

The Resource Recovery Center in Bollinas, and a new, state-of-the-art water tender in Stinson Beach, are also important elements of community wildfire protection.
